

Abercorn News

January 2014

Dear Parent/Carer

This has once again been a very busy month for all of the pupils and staff in Abercorn and everyone is looking forward to their mid-term break. This term our senior pupils and staff have been working hard toward the new SQA qualifications. A number of departments have been verified by SQA and so far we have received very positive feedback. As always the pupils have been involved in a variety of activities including swimming galas, football tournaments, and Rugby.

Over the next few months parents of S2 and S3 pupils will be invited to a information session to discuss the new qualifications and the opportunities that our young people will have to personalise their curriculum. I realise that the introduction of this new curriculum is a stressful time for parents, staff and young people however to date our young people are coping well with these changes this year and we are confident that our pupils will continue to cope very well with the new qualifications.

Finally, Mrs Youngson retired from teaching on Friday, 31 January. Mrs Youngson worked in Abercorn for over 20 years, she was committed to ensuring that the needs of all of our young people were met and in particular was passionate about our literacy programme. I know that you will join me in wishing her a long and happy retirement.

Patricia McGowan
