Bingo Night

Our senior pupils are currently preparing for a residential trip to Spain in June and to help towards the costs they have organized

a bingo night to take place on Thursday 2nd May. Tickets will be £5 and are available from Miss Campbell. All pupils

going on the trip are expected to attend to help raise funds.

College Tasters

Our S4/5/6 pupils have recently begun attending college for taster sessions with a view to being accepted for a course next session, these tasters will continue after our Spring Break. This is an excellent opportunity for them to get a chance to look around the college and get an idea of what the course entails. If you have any further questions please do not hesitate to contact Mr Shields.

Special Olympics World Games

Congratulations to Bella Van Velsen who recently returned from representing Great Britain at the Special Olympics World Games in Abu Dhabi. She competed in a number of gymnastics events and has been proudly displaying the many ribbons she won! Well done Bella! And congratulations also to former pupils Alistair Kemley and Justine Kerr

who were also representing Great Britain. Alistair won a silver and a bronze medal in gymnastics and Justine won Bronze in the women's basketball final.

Languages outings

Our S3 language learners

recently had lunch out.

Spanish learners had tapas in Malaga Tapas and Scots Language learners visited the Pipers Tryst for fish and chips. A great opportunity to sample the culture of the language they are learning.

World Book Day

On Thursday 7th March we celebrated World Book Day with a Booky Breakfast where all young people enjoyed a story during breakfast. We had a number of genre's on offer and young people chose the one they were most interested in hearing. We raised £36.00.

International Women's Day

On Thursday 7th March Miss Walsh took a group of girls to City Chambers to celebrate International Women's Day. They heard from some inspirational speakers and had the opportunity to chat with other girls from across the city.

Op Theatre Live

A number of senior pupils attended a STEM learning event where they had the opportunity to find out about medical procedures. After gowning up they were then helped to

perform surgery on organs. Although some found it "gross" all agreed it was fascinating
